

The 2nd SIS-AP

Surgical Infection Society Asia Pacific
International Conference

**“Step to New Horizon
to Prevent SSI”**

July 5(Fri)-6(Sat), 2019
Grand Walkerhill Hotel,
Seoul, Korea

July 5(Fri), 2019

| Time | Program | moderator/speaker | affiliation | country |
|---------------|--|--|--|----------------------------|
| 8:00 - 13:00 | [Pre-congress Workshop] 3M SSI Prevention Workshop Part 2 | | | |
| Room 2 | Welcome and recap Project reviews Tea break Project reviews Variation and interpretation of Results Spread and sustainability | | | |
| 13:30 - 14:00 | Opening Ceremony | Host: Hyung Jin Kim, Soomin Nam | | |
| Room 1 | Welcome Remarks Congratulatory Message Congratulatory Message VIP Introduction | Jung Gu Kang Hyungmin Lee Keita Morikane | KSIS Korea Centers for Disease Control and Prevention JSSI | |
| 14:00 - 15:30 | [Symposium1] How to treat SSI effectively | Keita Morikane Woo Yong Lee | Yamagata University Sungkyunkwan University | Japan Korea |
| Room 1 | | | | |
| 14:00 - 14:15 | Antibiotic use in patients with abdominal injuries: guideline by the Korean Society of Acute Care Surgery | Suk-Kyung Hong | Unive. Of Ulsan College of Medicine. Asan Medical Center | Korea |
| 14:15 - 14:30 | The implication of Vacuum-assisted closure in treatment of Abdominal SSI | Adeodatus Yuda Handaya | Gadjah Mada University | |
| 14:30 - 14:45 | Surgical site infection program in china | Joe King Man FAN | The University of Hong Kong - Shenzhen Hospital | China |
| 14:45 - 15:00 | Indonesia guideline development | Toar JM Lalisang | Cipto Mangunkusumo Hospital | Indonesia |
| 15:00 - 15:15 | Our preoperative strategy for prevention of SSI | Yuichi Ishida | Jikei University | Japan |
| 15:15 - 15:30 | · Discussion | | | |
| 14:00 - 15:30 | [Symposium2] Preoperative Strategies to Prevent SSI *session language-Korea | Kwang Ho Kim Yeonhee Kim | Ewha Woman's University Inje University Sanggye Paik Hospital | Korea Korea |
| Room 2 | | | | |
| 14:00 - 14:15 | Healthcare associated infection control policy in Korea | Yoolwon Jeong | The Ministry of Health and Welfare(MOHW) | Korea |
| 14:15 - 14:30 | Importance of a clean environment in OR & decontamination of medical devices | Eunjung You | Asan Medical Center | Korea |
| 14:30 - 14:45 | Advanced materials for prevention of surgical site infections | Mikyung Cho | Ewha Womans University Seoul Hospital | Korea |
| 14:45 - 15:00 | Challenges and strategies for the standardization of medical device reprocessing | Joo WHA Yoo | Seoul National University Hospital | Korea |
| 15:00 - 15:15 | Antiseptic prophylaxis for preventing SSI | Jongrim Choi | Samsung Medical Center | Korea |
| 15:15 - 15:30 | Discussion | | | |
| 15:30 - 16:00 | Coffee break | | | |
| 16:00 - 17:30 | Free Paper Session-Oral Presentation 1 | Chi-Min Park Wifanto Saditya Jeo | Samsung Medical Center Cipto Mangunkusumo Hospital | Korea Indonesia |
| Room 1 | | | | |

| | | | | | |
|--------|-------|--|--|--|----------------------------|
| 16:00 | 16:15 | O-01 Surgical Site Infection(SSI) after Elective Surgery for Colorectal Cancer: Improvement Following Surgical Care Bundle Approach | Sungchul Lee | Samsung Medical Center | Korea |
| 16:15 | 16:30 | O-02 Prevalence and Clinical Features of Systemic Inflammatory Reaction Syndrome (SIRS) after Ureteroscopic Removal of Stones | Ji Kang Yun | Soonchunhyang University College of Medicine | Korea |
| 16:30 | 16:45 | O-03 Comparison of Operative Outcomes (including Depressed Postoperative Skin Scar Incidences) between Conventional Linear Skin Closure Versus Purse-string Skin Closure in Ileostomy Reversal | Sunyoung Park | Catholic University of Korea | Korea |
| 16:45 | 17:00 | O-04 Mathematical Modeling and Computer Simulation of Surgical Site Infection (SSI) Hostilities with Supplemental Oxygen | Rifaldy Fajar | Yogyakarta State University | Indonesia |
| 17:00 | 17:15 | O-05 Use of Delta Neutrophil Index for Predicting Bacteremia in Patients with Necrotizing Fasciitis | Ji Young Jang | Wonju Severance Christian Hospital | Korea |
| 17:15 | 17:30 | O-06 Comparison between Laparoscopic Colorectal Surgery and Open Colorectal Resection Surgery (CRS) in Surgical Site Infection (SSI), Hospital Length of Stay (LOS) and Hospital Cost Using Data Review for Surgical Antibiotic Prophylaxis (SAP) Assessment by 'Health Insurance Review & Assessment Service (HIRA) in Korea | Sang Hyun Ahn | Yonsei University | Korea |
| 16:00 | 17:30 | Free Paper Session-Oral Presentation 2 | Songja Chang Victoria M. Steelman | Samsung Medical Center University of Iowa | Korea USA |
| Room 2 | | | | | |
| 16:00 | 16:15 | O-07 Experiences in Implementation of Antibiotics Stewardship Program in Surgical Intensive Care Unit. | Mingoo Kang | Samsung Medical Center | Korea |
| 16:15 | 16:30 | O-08 Pancreatic Fistula after Distal Pancreatectomy and Drain Contamination. | Takashi Harino | Toyonaka Municipal Hospital | Japan |
| 16:30 | 16:45 | O-09 The Strategy of Reducing Surgical Site Infection in Laparoscopic Appendectomy. | Seok Hyeon Cho | Catholic Medical Center | Korea |
| 16:45 | 17:00 | O-10 Prospective Observational Study of Surgical Site Infection (SSI) in Colorectal and Small Bowel Surgery in a Tertiary Referral Center | Jung Rae Cho | Seoul National University Bundang Hospital | Korea |
| 17:00 | 17:15 | O-11 Risk Factors for Febrile Urinary Tract Infection after Ureteral Reimplantation in Children | Jae Min Chung | Pusan National University Yangsan Hospital | Korea |
| 17:15 | 17:30 | O-12 Colonoscopic Irrigation Is a Safe and Effective Treatment in Uncomplicated Right-sided Colonic Diverticulitis | HYUN HO KIM | St. Vincent's Hospital, the Catholic University of Korea | Korea |
| 18:00 | | Gala Dinner(Aston-House) | | | |

July 6(Sat), 2019

| Time | Program | moderator/speaker | affiliation | country | |
|--------|---------|--|--|---|------------------------------------|
| 9:00 | 10:30 | Free Paper Session-Oral Presentation 3 | Soon Sup Chung Esther A. Saguil | Ewha Womans University University of the Philippines | Korea Philippines |
| Room 1 | | | | | |
| 9:00 | 9:15 | O-13 Change of Antibiotic Resistance to the Causative Organisms of Pelvic Wound Infection for Recent 5 Years | Seung Ki Min | National Police Hospital | Korea |
| 9:15 | 9:30 | O-14 Impact of Postoperative Infection on Long-term Survival after Potentially Curative Resection for Gastric Cancer | Hironori Tsujimoto | National Defense Medical College | Japan |
| 9:30 | 9:45 | O-15 Surgical Adhesives (2-octyl Cyanoacrylate) Reduced Surgical Site Infection after Minimal Invasive Colorectal Cancer Surgery | Chul Seung Lee | Seoul St. Mary's Hospital, the Catholic University | Korea |
| 9:45 | 10:00 | O-16 Report of Characteristic of Complicated Intra-abdominal Infections, Bacteriological Profile, Treatment Approach and Factor Influencing Outcomes at Cipto Mangunkusumo Hospital Jakarta | Arnetta Naomi Louise Lalisang | Cipto Mangunkusumo Hospital | Indonesia |

| | | | | | |
|--------|-------|---|--|--|----------------------------|
| 10:00 | 10:15 | O-17 The Incidence and Risk Factors of SSI in Laparoscopic Colorectal Cancer Surgery | HYUN HO KIM | St. Vincent's Hospital, the Catholic University of Korea | Korea |
| 10:15 | 10:30 | O-18 Oncological Outcome of Surgical Site Infection after Colorectal | Seongmun Park | Samsung Medical Center | Korea |
| 9:00 | 10:30 | Free Paper Session-Oral Presentation 4 *session language-Korea | Eun Suk PARK Yun Jin Lee | Severance Hospital Yonsei University Severance Hospital Yonsei University | Korea Korea |
| Room 2 | | | | | |
| 9:00 | 9:11 | O-19 Cleaning, Sterilization Integrated Management Process Improvement Activities | YOUNGLAN PARK | Yeungnam University Medical Center | Korea |
| 9:11 | 9:22 | O-20 Strengthening the Infection Control through Standardizing Decontamination of Surgical Instruments. | Kyoung Suk Shin | Seoul Asan Medical Center | Korea |
| 9:22 | 9:33 | O-21 Comparison of the Efficacy of Two Types of Cleaning Method for Surgical Instruments by Using Manual Cleaning and Automated Washer Disinfector | JISUN KIM | KONKUK UNIVERSITY MEDICAL CENTER | Korea |
| 9:33 | 9:44 | O-22 A Study on the Disinfection Effect According to the Pollution Degree of the Operating Room Slippers and Washing Method | Suji Jung | Chung-ang University Hospital | Korea |
| 9:44 | 9:55 | O-23 Activities to Improve Cleaning Delays after Use of Routine Surgical Equipment | Myunghee Seo | Severance Hospital | Korea |
| 9:55 | 10:06 | O-24 Assessing Knowledge of Wound Care among Surgical Nurses by Using Visual Dictionary for Self-Directed Education in Wound Management (ViDSE-WM) | Min Jeong Kang | Yonsei University Health System, Severance Hospital | Korea |
| 10:06 | 10:17 | O-25 Traditional Negative Pressure Wound Therapy(tNPWT) Versus Disposable Negative Pressure Wound Therapy(dNPWT) for Prevention and Treatment of Surgical Site Infection | Yun Jin Lee | Yonsei University Health System, Severance Hospital | Korea |
| 10:17 | 10:28 | O-26 A Study on the Expiration date of Sterilized Products | Sang suk Byun | The catholic UNIV. of Korea seoul St.mary's hospital | Korea |
| 10:30 | 10:50 | Coffee break | | | |
| 10:50 | 12:30 | [Keynote Lecture1] Step to new horizon to prevent SSI | Jung Gu Kang Hyeseon Chung | National Health Insurance Service Ilsan hospital Samsung Medical Center | Korea Korea |
| Room 1 | | | | | |
| 10:50 | 11:15 | Assessment of prophylactic antibiotics in surgery | Sunyoung Park | Health Insurance Review and Assessment Service | Korea |
| 11:15 | 11:40 | SSI prevention: collaborative model in Singapore | Ling Moi Lin | Singapore general hospital | Singapore |
| 11:40 | 12:05 | Preventing perioperative hypothermia | Victoria M. Steelman | University of Iowa | USA |
| 12:05 | 12:30 | | | | |
| 12:30 | 13:30 | Luncheon Symposium 1 [3M] | Kil Yeon Lee | Kyung Hee University | Korea |
| Room 1 | | | | | |
| | | What can we do to reduce SSI in clean surgery? Skin antisepsis and alcohol | Koji Yamada Ling Moi Li | Kanto Rosai Hospital Singapore General Hospital and President | Japan APSIC |
| 12:30 | 13:30 | Luncheon Symposium 2 [Medtronic] | Suk-Hwan Lee | Kyung Hee University | Korea |
| Room 2 | | | | | |
| | | How much do we actually know about electrosurgery?: Safe use of electrosurgery based on FUSE program | Saseem Poudel | Steel Memorial Muroan Hospital | Japan |
| 13:30 | 14:10 | General Assembly - KSIS | | | |
| 14:10 | 15:00 | Current status and antimicrobial stewardship | Kazuo Hase Toar JM Lalisang | National Defense Medical College Cipto Mangunkusumo Hospital | Japan Indonesia |
| Room 1 | | | | | |
| 14:10 | 14:35 | Antibiotic stewardship: A call to action for surgeons | Hong Bin KIM | Seoul National University Bundang Hospital | Korea |
| 14:35 | 15:00 | Progress on antimicrobial stewardship in Japan | Harumi Gomi | International University of Health and Welfare | Japan |

| | | | | | |
|--------|-------|---|--------------------------------|--|----------------|
| 15:00 | 15:40 | [Keynote Lecture 2] KSIS Presidential address | Kazuo Hase | National Defense Medical College | Japan |
| Room 1 | | | | | |
| 15:00 | 15:40 | The progressive strategies for prevention of SSI and future of Korean Surgical Infection Society | Jung Gu Kang | National Health Insurance Service Ilsan hospital | KSIS |
| 15:40 | 16:00 | Coffee break | | | |
| 16:00 | 17:40 | [Symposium 3] Role of professionals to prevent SSI | Yuichi Yoshida Kil Yeon Lee | Sanmu Medical Center Kyung Hee University | Japan Korea |
| Room 1 | | | | | |
| 16:00 | 16:20 | Role of infection control professionals in preventing SSI | Keita Morikane | Yamagata University Hospital | Japan |
| 16:20 | 16:40 | Prevention and management of anastomosis leakage in HPB surgery | Toar JM Lalisang | Cipto Mangunkusumo Hospital | Indonesia |
| 16:40 | 17:00 | The professional serves as a strategy for coping with current situations and dealing with the social roles. | Yuichi Yoshida | Sanmu Medical Center | Japan |
| 17:00 | 17:20 | Role of anesthesiologists to prevent infection in the operating room | Jin Joo | Seoul St. Mary's Hospital | Korea |
| 17:20 | 17:40 | Emerging clinical evidence and stewardship to prevent SSI | Myoungjean Ju | KosinUniversity Gospel hospital | Korea |
| 16:00 | 17:40 | [Symposium 4] SSI Prevention in OR | Yoon Suk Lee Sunhee Lee | The Catholic University of Korea Korea University Guro Hospital | Korea Korea |
| Room 2 | | | | | |
| 16:00 | 16:20 | Preventing surgical site infections update | Victoria M. Steelman | University of Iowa | USA |
| 16:20 | 16:40 | Factor influencing intraoperative processes to reduce SSI | Wifanto Saditya Jeo | Cipto Mangunkusumo Hospital | Indonesia |
| 16:40 | 17:00 | Identifying sources of contamination in the Operating Theater | Esther A. Saguil | University of the Philippines | Philippines |
| 17:00 | 17:20 | Proper surgical attire and surgical site infection | Chinhak Chun | Mediplex Sejong Hospital | Korea |
| 17:20 | 17:40 | Nursing care plan to prevent SSI | Gortap Sitohang | Cipto Mangunkusumo Hospital | Indonesia |
| 17:40 | 18:00 | Closing Ceremony | | | |
| Room 1 | | | | | |
| | | Awards Ceremony 3rd SIS-AP Conference Introduction Closing | | | |

* Poster Presentation: Exhibition Hall(Grandhall 2+3)
